Dear Miss Randolph:

Thank you for your letter of February 11th. Though we regret that we cannot assist you in your advertising campaign, we thought that you might be interested in our **MAJOR** Sound Effects, Bosworth & Harmonic mood music catalogues.

These records are all 10" double-face, 78 R.P.M. **MAJOR** records sell for \$2.00 individually, but on quantities of ten or more records, we will allow certain discounts.

We have a special introductory offer for educational institutions. If you purchase our entire library of **MAJOR** Sound Effects records, we will grant you a **50%** discount. We believe that colleges, universities, and schools throughout the country will be enriched by our Sound Effects Library, and therefore, we are most happy to offer them this unusual discount. Many schools have taken advantage of this offer.

The Bosworth mood music records sell for \$1.85 each. On minimum orders of 40 records, we will allow a 20% discount.

If we can be of further service to you, please let us know.

Sincerely yours,
